MEMORANDUM FOR: Director of Technical Service
SUBJECT : Directorate of Administration
History and Functions Document

Dave:

1. I want to thank you for your thoughtful note on the history. Actually a good deal of time and effort was put into this project and I am particularly pleased that someone outside the DDA found it interesting and perhaps useful. Regarding your comment that the DDA sounds like a good place to work, I have found this to be true. I might suggest you try it sometime--you might like it.

2. Thanks again for taking the time to not only read the document, but to drop me a line.
